AI Search Optimisation (GEO)	—	—	✓
Backlink Strategy	—	—	✓
FREE WITH PLAN	SEO Audit Report	+ Competitor SEO Report + Keyword Opportunity Report	+ 30-Day Keyword Roadmap

★ **GEO** (Generative Engine Optimisation) helps AI tools like ChatGPT, Gemini and Perplexity recommend your business when people ask.

Two more ways we build *growth infrastructure*.

Not every service fits a fixed plan. Here's what's included — each one scoped and quoted around your exact needs after a free discovery call.

01

Website Development

Fast, SEO-ready websites built to convert visitors into enquiries — designed around how your customers actually search, browse and book.
